SALE STREET APARTMENT  
Auckland

A contemporary Auckland apartment at the top of our client's own commercial building (see Silverscreen/ Oktober Auckland). By minimising solid walls and extending the living space out to a large north-facing deck, we created a sophisticated home with a seamless transition between indoor and outdoor living.

"This beautiful apartment complements its setting as part of an award-winning building. Its design strength lies in its elegant simplicity and restraint... a sophisticated urban retreat." NZIA Awards Jury, 2004.

Awards: NZIA Auckland Architecture Awards Jury, 2004.
